

## **Youth Accommodation Worker**

Do you want to make a difference in a young person's life? Are you energetic, confident, vibrant and ready to learn? We want you!!! Are you studying in the area of Human Services and want to look at earning money while you study.

Volunteer opportunities exist in our Youth Crisis Accommodation Service- we operate 24 hours a day every day of the year. For the right applicants the possibility of casual paid work could follow. It is a Shift work operation so all work is in the evening and weekends.

If you are interested in starting a career in youth work and want to learn best practice models and standards. We can assist in your learning of administrative tasks, group work, assessments of young people needs, contribution towards case management plans and developed excellent rapport building and professional boundaries. Excellent career development opportunities exist at JYSS.

You must have a Senior First Aid Certificate and be willing to get a Working with Children Check and National Police clearance and have a manual drivers licence. Minimum of Cert 3 in Youth or Community Work also.

JYSS adheres to the Youth Work Code of Ethics please see WAAYW for more information <http://www.waayw.org/>
